UNITED STATES DESIGN PATENT INFORMATION FORM

Design Patent Applications require the following to get a filing date:

- (a) Specification as per this example;
- (b) drawings having views from each side of the object being patented with surface shading to show contour of the surface;
- (c) signed and dated Patent Declaration; and
- (d) a Small Entity Declaration, if applicable.

Note, all declarations must be completely filled in before signing, we cannot alter the declaration in any way.

Example of Design Specification

Be it known that I/We, (name of the inventor(s)), have invented a new, original and ornamental design for (title), reference being made to the accompanying drawings which form a part of this Specification and in which:

Figure 1 is a front perspective view of the (title) embodying my/our design;

Figure 2 is a right side elevational view of the (title) as shown in Figure 1;

Figure 3 is a left side elevational view of the (title) as shown in Figure 1;

Figure 4 is a top plan view of the (title) as shown in Figure 1; and

Figure 5 is a bottom view of the (title) as shown in Figure 1.

I/We claim the ornamental design for the (title) as shown and described.
